Monday 8th January

Joining a LIVE session (Instructions)

Over the next couple of weeks, we may start to organise some live sessions, for children not in school to share in - and as a way of helping to support their well-being by still feeling a part of school life.

We now feel we have the technology in place to support this BUT... in the early stages please be patient as there will most likely be technical hitches along the way 😊

(This bit you know...!)

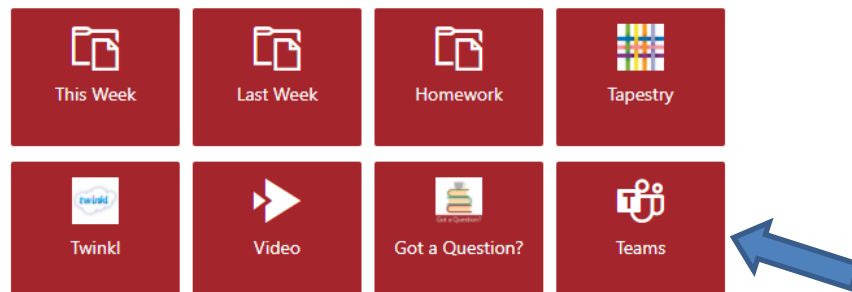

1. Search for our website
2. Click on the Pupil Hub (Treehouse)
3. Choose your child's year group

Year Groups

(Something new...!)

4. You will now see a new 'Teams' tab... select this. Please be patient here, to let 'Teams' download.

PTO

5. On this page, when you first log-in, you may be asked to **'set up' and download...** just follow the steps (this should be free).

6. Now click on the Year group/ Class box...

...a message about joining the live event (with date and time) should come up **in a blue bar** across the screen... **'Start call'**

PLEASE BE AWARE

We will not be moving to a live lessons/ learning format. Also, teachers, year groups and/ or classes, will probably start introducing elements of this at different points, as and when appropriate and they feel ready.

Many thanks for your continued support,

Mr Clark
(Headteacher)
