REQUEST FOR YOUR SUPPORT

Thursday 1st July 2021

Dear Parents/ Carers,

Over the last few days, as I am sure you are aware, there appears to have been an increasing number of COVID cases being reported among young people and children in schools within the Charnwood area.

I am mindful that for yourselves and our school staff teams, this is again becoming a worrying time particularly as we get nearer to the end of term and added to this, family holiday plans are in sight.

Across both schools, we would therefore like to ask for your support in maintaining everyone's health and well-being and **return to wearing masks whilst on the Junior and Infant sites during drop-off and collection times from tomorrow, Friday 2nd.**

In school, we continue to maintain our class 'bubbles' in order that pupils don't mix and our cleaning routines take place twice daily. *As well as within school, teaching and support staff will then also return to wearing face coverings during these times.*

Many thanks (in advance) for your continued support,

Mr A. Clark
