Get your child's voice heard and make a difference

The Children's Commissioner for England, has launched a once-in-a-generation review of children's lives.

It aims to identify the barriers preventing children reaching their full potential. At its heart is **'The Big Ask'** – *the largest ever survey held with children.*

In the survey, children are asked what they think is important for their future and what is holding them back. The results will be used to show the Government what children think and what they need to live happier lives.

This week we will be asking children in years 2-6 to complete the survey as homework.

For younger children in years R and 1 (aged 4-5)

It's an exciting opportunity to help us think big and it's a chance for every child in England to have their voice heard.

So, Simply Google 'The Big Ask' and set aside 5-10 minutes 😊

Many thanks for your continued support,
Mr A. Clark
