PARENT/ CARER UPDATE

Dear families,

You may or not already be aware but thought I would write to update you on the current situation for schools over the next few weeks.

February half term (Mon 15th – 19th)

School will close for half term as it would have. A chance for us all to recharge the batteries!

Returning to school after half term

*The Prime Minister has announced that **it will not be possible to resume face-to-face learning immediately after the February half-term** and instead, hopes it will be safe to commence the re-opening of schools and colleges from Monday 8 March. This is in response to the national public health data and pressure on NHS capacity.*

(Taken from DfE communications)

We will, of course, continue to support you where possible but the 'safety' message remains the same in terms of children staying at home as the first consideration.

Timetable/ routine ideas

I will be sending out a letter from Miss Henson and Mrs Page. This is not intended to add pressure to anyone's home circumstances but offer some support with timings and a possible structure for your days 😊

IT support

As an infant school - *owing to the age range of our pupils* – sadly, we have been allocated very little, in terms of equipment, to offer to you. That said, I will also put a letter out explaining and listing some of the things we do have to give out should it help.

Well done!

Lastly, I just wanted to say 'well done' for continuing to run your home and working lives alongside home-schooling and our Pupil Hub. You are doing incredibly well.

All good wishes, Mr Clark
