Dear Parents / Carers

Please find below messages to you from Miss Henson and Mrs Page...

Dear Families,

I am writing to share with you all that I will be leaving Thorpe Acre Infants at the end of this academic year to take up a leadership post in a nearby Primary School. As I'm sure you can imagine I will be sad to leave Thorpe Acre but I'm excited for a new challenge!

Thorpe Acre Infants is an extremely special place to be and it is the place where I began my teaching career in 2004 (and after a few years away) where I returned as Mr Clark's deputy. It is the place where I have had some of the happiest and most fulfilling years of my career so far. Alongside an incredible staff team, I have worked with hundreds of Thorpe Acre children and their families over the years and I can honestly say it has been a privilege to do so.

Although it is not quite time to say goodbye just yet I would like to take this opportunity to say a huge 'thank you' to you all for your support over the years and for entrusting me / us to care for and teach your amazing children. I will leave here with so many happy memories and some very special friendships too...there really is no other school like Thorpe Acre Infants - it truly is a very special place to be!

I wish you all the very best for the future.

Thank you,  
Miss Henson

Dear Families,

I will also be leaving Thorpe Acre Infant School at the end of the academic year. I am moving to a new school to continue my role as Foundation Stage Co-ordinator. I have been at Thorpe Acre for many years now, and felt it was time for a new challenge. Like Miss Henson, I will be sad to leave, as Thorpe Acre is truly such a special place to work.

I have loved my time at Thorpe Acre, and will take away so many happy memories. It is a place I will never forget, and will always think fondly of my time here. The children are simply just wonderful, and make everyday a special day. I will treasure all of the adventures I have had with the Foundation Stage children and the team in there, from hunting for dinosaurs to creating pirate ships to rescue Tinkerbell from the evil Captain Hook. I feel honoured to have been apart of so many children's first year at school and to work with all of your lovely families.

I would like to say a huge thank you to all of the children, for making my time here so special and to the families for your support through the years. I would also like to thank the staff, who are such an amazing team to work with- the very best!

Finally, I can't word it any better myself, so as Miss Henson has said-there really is no other place like Thorpe Acre Infant School- it is truly such a special place to be!

I wish all the children the very best for the future.

I will miss you all.

Mrs Page
