WHICH DAY(S) IS MY CHILD DOING PE?

Foundation Stage – PE will be on **Fridays**

**Please can children come to school, on their PE day, dressed ready to be active.**

As the weather gets cooler, PE shorts and T-shirt will not be enough for all day - so, jogging bottoms or a tracksuit (grey, black or burgundy if possible) will be needed.

Some families are choosing to send their child with a school cardigan or jumper on top.

SPORTS COACH

I am sure you will join me in welcoming our new sports coach, Mr Foley.

He has now worked across all classes.

*Enquiries for after-school clubs and/ or 'extended care' to Mr Clark please.*

SCHOOL GATES

Dear Parents/ Carers,

**Please, please can I ask** that you DO NOT stand at the school gates to wait, meet and talk with family, friends.

With things as they are, it is really important we keep the flow of people moving in and out of school. **Parents/ Carers and children are sometimes struggling to get passed safely.**

*Many thanks for your continued support,*

*Mr Clark & the TAIS team*

THANK YOU

We have had lots of cases of what I feel is likely to be hayfever or seasonal colds this week. I just wanted to say 'thank you' to those parents/ carers who have spoken to me so we could manage this together.

As I am sure you are already aware, it is only when one (or more) of the symptoms includes:

- ✓ a high temperature
- ✓ a new persistent cough
- ✓ loss of taste and/ or smell

... that **a test should be done.**

**From a school point of view** – if, as part of a 'cold', coughing and/ or sneezing is regular, I will be asking for your child to go home in order to keep us all generally well and safe, during this time 😊 *Thank you for your understanding*

JEANS FOR GENES

Each year we join in with this National Charity and have a special assembly.

ON **THURSDAY 17<sup>th</sup> September**, children can come to school in their jeans... we ask for a £1 donation to the charity.

**Please can children still wear their uniform tops, i.e. polo shirts and cardigan or sweater.**
