

Monday 28th

NEWSLETTER

FLU IMMUNISATION

The Community immunisation Service is offering the opportunity to protect your child against seasonal flu.

Our date: Tue 24th Nov

Key things to note:

- ✓ You have to give permission for your child to have the nasal flu vaccination;
✓ There will be an on-line form to complete to do this;

You will also find lots of child-friendly resources at: www.healthforkids.co.uk

READING UPDATE

We share your concerns regarding the children having regular reading books.

By the end of this week, we are hoping to have 2 ways of working ready:

- ✓ Bug Club - access to books on-line
✓ Books given out from class sets

HOMEWORK

A number of families have asked about when homework will be starting.

STARTS - this Thursday, 1st October

A more detailed letter will follow this message later this week.

For the moment, just to say... a homework book and 3-week 'organiser' will go out this coming Thursday.

SCHOOL PHOTOS

Tomorrow!... Tuesday 29th

Owing to the current situation, children will only be able to have an individual photo taken at this time.

Sadly, it will NOT be possible to have a family photo done.

Hopefully as/ when things improve in the Spring and summer, we will have class photos taken.

JEANS FOR GENES

Well done everyone!...

You helped raise

£60

for this National charity event
