### Flu immunisations

### Travelling bedtime story bags

Thank you so much to all of our families who have looked after our class mascots in the bedtime story bags so far. There are some lovely examples of drawings, writing and photos in there. We really hope you enjoy sharing the class story together (and the hot chocolate treat!). If you haven't looked after your class teddy – don't worry! Everyone in class will get a turn.

### Maths at Home

Some of you asked at parents evening about how you can help with Maths at home...we recognise that the way Maths is taught now may be very different to how you were taught at school!

Please see the Maths section on our website (click the Curriculum tab) for our calculation policy which shows the methods we use in school. Also, on our website under your year group page (click the About Us tab) there are leaflets to download with ideas for Maths activities and games you can do together at home. Please see your child's class teacher (in the first instance) for any further advice 😊
