EYFS: Poppy

YEAR 1: Beth

Gold for 200 reads

Well done to these children who have reached the end of the rainbow: Mckensie Beth Naman

Keeping your children safe

We have been made aware of an online game that is inappropriate for children and may cause upset and distress. The game is called 'Huggy Wuggy' and due to its name, it can bypass any parental controls you may have on your devices for sites such as You Tube. On first glance it looks like a harmless game about a teddy bear however it is described as 'A survival horror game set in an abandoned toy factory'. Please be aware that the content is NOT suitable for young children and we ask that you remain mindful about what the children are accessing online. If you have any questions about how to help keep children safe online please see your child's class teacher in the first instance. You can also find more information here:

[Keeping children safe online | NSPCC](#)

Our new topic

Our topic this half term is 'What makes animals amazing?' The whole school are reading and learning the story 'Lost and Found' by Oliver Jeffers. Why not ask your child/ren what they remember about the story...

Vocabulary Corner

We begin a new topic each half term and we send you 'Vocabulary organisers' containing important words for that topic. It would be really tricky to include every new word we will be teaching in a half term so throughout the term on the newsletter we will share other key vocabulary the children will learn in other subjects.

Today we focus on: **Music**

This half term the children are learning about 'Pitch'

Here are some important words the children will be learning:

Pitch – How high or low a note is

Melody – A group of notes played one after another to make a tune (a melody)

Dates for your diary

Thursday 3rd March

World Book Day

Please check Weduc for World Book Day activities 😊
