Well done to all of the children who have received reading awards this year and a huge thank you to Mrs Pullen for counting the reads each week and preparing certificates and prizes. Rainbow Readers will return in September!

Year 2 Sleepover

Just a reminder...we must have payment with your child's permission slip to secure their place. The money will be used for food and activities so will need to be paid even if your child doesn't want to do the 'sleeping over' part. Thank you 😊

Our new topic

Next half term our new topic is:

Why is food so important?

We will be tasting and learning about different fruits and vegetables and even designing and making our own fruit and vegetable snacks. We will learn all about where our food comes from and how and why it is grown there. Also, we will learn about artists who use food in their work like Cezanne who did lots of still life paintings of food and Arcimboldo who liked to make faces using food items. Look out for your curriculum newsletter and vocabulary organiser which will come home after half term with lots more information.

Next half term will be our final one of the year and there are so many exciting things happening in school! Please look carefully at the dates below as there are rather a lot 😊
