EYFS: Myla; Poppy

Indigo for 150 reads

YEAR 2: Molly-Mae

Violet for 175 reads

EYFS: Elden

YEAR 2: Felicity; Kaiden

Gold for 200 reads

Well done to these children who have reached the end of the rainbow: Bella Jodie Elden

This is the first week we have given out EVERY colour of the rainbow – great work everyone! ☺

What happens when you reach gold?

We now have three children who have reached the 'end of the rainbow' on our reading award scheme. When you reach gold, you become a member of our very special '**Gold Club**' with Mrs Richards! Look out for more information when this term's reading newsletter comes home.

The Tiger who came to Tea

Year 2 visited Charnwood museum last week to look at the Tiger who came to Tea exhibition. They got the chance to have tea with the tiger, dress up as a tiger, draw, complete puzzles and see some of Judith Kerr's original drawings. The children had a great time (the adults did too!) The exhibition was excellent. It is on at Charnwood Museum until March and is well worth a visit ☺ Click this link to find out more:

Parent Survey

On page 2 of the newsletter there is information about a survey for parents to complete about the National Child Measurement Programme (NCMP) – a national programme that measures children's heights and weights in EYFS and Year 6 and reports back to you. If you have 5 minutes to spare I'm sure they would be grateful of your feedback.

Dates for your diary

Monday 7th February 3.30 – 7.00

Year 2 Parent's Evening

Tuesday 8th February 3.30 – 7.00

Year 1 Parent's Evening

Wednesday 9th February 3.30 – 7.00

EYFS Parent's Evening

Friday 11th February

School closes for half term

NCMP Information for School Newsletter

The National Child Measurement Programme (NCMP) is a **nationally mandated public health programme**. It provides the data for the child excess weight indicators in the Public Health Outcomes Framework, and is part of the government's approach to tackling child obesity.

A specially trained member of the Healthy Together Team will attend your child's school to carry out the measurements.

- The measurements are completed sensitively and in private. Your child is not told the results.
- The results are kept confidential and are not shared with any teachers or other children.
- You will be sent a letter with your child's measurement results identifying whether they are within the health range or not. This letter includes next steps with links to helpful information
- You are given the opportunity to opt your child out of the NCMP. Information about how to opt out is given in a letter or email from your child's school.

Parent Survey

We would really like your views on NCMP – and how we can help improve children's health and wellbeing in achieving and maintaining a healthy weight. Please click on the link below or scan the QR code which will take you directly to the survey. This will help us make sure you have the right services which are accessible to support you and your child.

SNAP Survey link <https://bit.ly/3HKocR6>

Or hover your phone camera over the QR code and it will take you to the survey

Who can help?

If you are concerned about your child's weight or eating habits and feel you need support, you can contact the Healthy Child Programme by (link weight management Service)

The Health4kids website can provide additional information

<https://www.healthforkids.co.uk/leicestershire/the-national-child-measurement-programme/>

You can text **Parent Chathealth** on 07520 615382 for information/support.

Alternatively, you can go to see your GP to discuss concerns.
