A reminder

We are aware of some use of bad language on our playground before and after school...please be mindful of your surroundings when having conversations on the playground. Thank you 😊

Harvest

Harvest season marks an important time for farmers as crops are harvested for food and animal feed. It can also be a time when people say 'thank you' to farmers, fishermen and food producers.

Usually we would have a celebration in school with poems and songs and stories about harvest and we would give our thanks for the food we eat. As we are not yet able to welcome parents and carers into assemblies we have recorded some virtual harvest messages for you. We hope you like them! Look out for them on our website, Twitter and Weduc next week!

Topic

This half term's topic is Autumn Days. We will be answering the big question **'What happens in Autumn?'** by learning about seasonal changes; how animals adapt to the seasons; festivals such as Diwali, Hanukkah and Christmas and important historical events like 'The Great Fire of London'. Look out for your vocabulary organiser with this term's key words and definitions coming home this week.
