World Book Day

We had a wonderful day yesterday celebrating books and all things reading! Year 1 and 2 had a poetry workshop in the morning with Nicole from the Library Service. Each class learnt a poem and performed it at the end of the morning.

Each class has decorated their classroom door to show their favourite children's book. See page 2 of the newsletter for photos of each door.

Mrs Richards has made a video sharing Thorpe Acre Infant's love of reading with everyone...you can find it on the Pupil Hub and Weduc.

Another celebration...

We are very excited to have been awarded the Royal Horticultural Society School Gardening Award Level 1! Watch this space for our exciting future gardening plans...

Vocabulary Corner

Today we focus on: **PE**

This half term the children are learning about Gymnastics

Here are some important words the children will be learning:

Balance - An even distribution of weight enabling someone or something to remain upright and steady

Travel - to move from place to place

Sequence - a pattern where one thing follows another

Coordination - to arrange things so they work well together

Breakfast Club reminder...

If you would like your child to attend breakfast club you **MUST** book their place through Weduc **by 4pm the day before**. Breakfast Club numbers are increasing and there are some children arriving without having booked a space. If this continues we will have to start refusing entry so we don't exceed our maximum numbers. Thank you in advance for your cooperation
