Friday 19th November

Children in Need day.

See page 2 of the newsletter for more details...

Safeguarding

There have been some concerning reports from classroom teachers and support staff recently about children talking about and 'playing' Squid Game whilst at school. This is a TV series on Netflix in which the level of violence is very intense. The show is quite graphic with a lot of violent content. We understand that many of our children have older siblings who may watch it but in order to keep our very young children safe, we strongly advise that children should not watch Squid Game.

Remembrance Poppies

The **Poppy Appeal** is the Royal British Legion's biggest fundraising campaign held every year in November, during the period of Remembrance. You can support the Poppy Appeal by making a donation in return for a poppy to wear. Poppies are currently available from the school office but if your child would like to buy their own we will be sending some Year 2 children to classes with the collection box next week. The children can get a poppy in return for a donation next Monday, Tuesday or Wednesday when their class is visited.

We suggest a minimum donation of 20p but please only donate what you can.

Coat Swap

Morrisons are collecting coats that your children may have grown out of and they are donating them to those in need. If you have an old children's coat you'd like to get rid of you can drop it in the collection box in store.

More celebrations!

We would like to wish 'Happy Diwali' to staff members and families celebrating this special time and for those of you intending to watch fireworks this weekend...enjoy and keep safe 😊
