School holidays

We understand that for many of you it is more cost effective to take a family holiday during term time. However, please be aware that government guidelines do not allow Headteachers to authorise absence for family holidays.

What is a pirate?

As you now know, our topic next half term is all about pirates and will be called 'What is a pirate?' Please look out for your vocabulary organiser that will be

coming home after the Easter break – it has lots of new and important words that the children will be learning. Also, we are sending home a 'Curriculum Newsletter' which will explain what the children will be learning in each curriculum area over the course of the half term. These

will also be available on the year group pages of our website. We hope you find them useful and hopefully they will help when talking to your child/ren about what they have been learning at school.

Easter Raffle

Congratulations to our raffle winners! The winners were drawn in our Allstar assembly...

It has been another busy term in school! The children have all worked really hard and made lots of pleasing progress. We would like to wish you all a safe and relaxing break and for our families who will be celebrating we wish you a very 'Happy Easter!'
