

Newsletter Thursday 17th November 2022

Next week's lunch menu is 'Week 2'

Anti-Bullying Week

The theme of this year's Anti-Bullying Week has been "Reach Out", which encourages children to talk to somebody if they think they are being bullied. The children have learned that they can ask any staff in school for help as well as members of their family or their friends.

To start off the week, we took part in Odd Socks Day to show we are all different and that is something to celebrate. The picture above shows off the snazzy socks worn by the children in Owl class!

Attendance award

This week the attendance trophy goes to Hedgehog Class with 96%. *Well done Hedgehogs!*

Have a lovely weekend – remember the school is closed to children tomorrow, Friday 18th November.

Children In Need

Today we have learnt what it means to be "in need" and how the charity Children In Need supports children all over the UK.

The children all looked fantastic in their "spot-tacular" and colourful outfits! Clearly there are many creative people in our school community! There are also many thoughtful members of our school. One pupil has donated the remainder of his birthday money to the charity. Thank you to everyone for your generosity.

Anti-Bullying Steering Group

A letter went out this week on Weduc about parents/carers supporting the school to have the best anti-bullying measures in place that we can. We would really value the parental perspective of our anti-bullying policies and procedures. If you would like to know more, please contact Mrs Shaw through the school office.

Dates for your diary:

- Friday 18th November – INSET – no school for the children
- 6-13th December – Scholastic Book Fair
- Wednesday 7th December – YR Christmas performance pm
- Thursday 8th December – YR Christmas Performance am. Y1/2 Christmas performance pm
