### Attendance Award

This week the award goes to Fox with 98% attendance. Well done!

### Anti-Bullying

This week saw the start of an exciting anti-bullying joint project with Thorpe Acre Junior School. We received a letter, read out in Assembly, which is the first of letters to be exchanged between the two schools. The content of the letters will be based around what we can do to prevent bullying. Later this term, the children will get to meet the class they have been corresponding with.

### Enterprise Week

This week the children have worked with pupils from the Junior school making items to sell at the end of the week.

YR children made suncatchers

Y1 children made biscuits and rice crispy cakes

Y2 children made stress balls and decorated stones.

It was lovely to see the children across both schools working together, supporting each other and building new friendships.

### Chinese New Year Enrichment Day

The children have had a wonderful day learning about Chinese New Year and how it is celebrated by Chinese communities all over the world. Activities have included: rabbit craft, making a dragon, hearing the New Year story, food tasting and making lanterns.

*We would like to wish a Happy New Year to everyone in our school community who is celebrating at this special time.*

### Healthy Together

We are pleased to be promoting the Leicestershire Partnership NHS Trust's digital services. More information is on our school website. You will have already received, via Weduc, details of a text service for parents/carers of children with autism. Older children can also access the service themselves. Please keep a look out for this information.

### Fire Drill

We had a fire drill on Wednesday. The children left the building calmly, quietly and sensibly. Well done everyone.
