Spotlight on Learning

YR

In Literacy the children have been learning the story "*The Little Red Hen*". They have created a story map and have come up with actions to retell the story.

In Maths children have been rotating shapes to make them fit in the correct place.

Y1

In Maths, Year 1 have been working hard this week to find out all about quarters of shapes, objects and numbers. In English they have been focusing on writing sentences in the past tense, thinking about what we did last week on our trip out to St Botolph's Primary School.

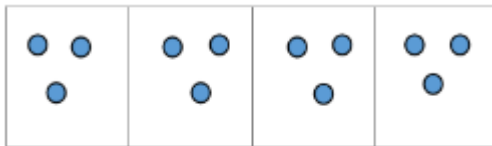

In DT they have been tasting carrots in different forms - boiled, roasted, puréed and grated. They had to find out whether the carrots tasted the same or different. In Art the children have finished their sculptures of birds, using rubbings, drawings and collage.

Year 1 Art

Y2

In Maths, the children in Year 2 have finished their unit on fractions. They have been learning how to find $\frac{1}{4}$, $\frac{2}{4}$, and $\frac{3}{4}$ of a shape or number using bar models to help them. They are now moving on to telling the time.

$$\frac{1}{4} \text{ of } 12 = 3$$

$$\frac{2}{4} \text{ of } 12 = 6$$

$$\frac{3}{4} \text{ of } 12 = 9$$

In English, they have written their riddles about a mystery animal. Here are some written by children in Owls class:

I live in a tropical island.
I make a sound like Eeek!
I'm pink all over.
I eat cod.
I'm as fast as a cheetah in water.
What am I?

I live in Australia.
I'm a bit naughty.
I am as quiet as a spider.
I'm very fluffy.
Sometimes I dig.
I hope and jump.
What am I?

I am a reptile.
I attack people.
I live under water.
I make a splashy splosh sound.
I am as spotty as a jaguar.
What am I?

In D&T, they have made their healthy wraps using their chosen ingredients. They chopped the vegetables and layered them according to their design. They tasted their wraps and evaluated their design based on smell, taste and look. They decided what they liked and what they would change next time.

In PSHE, they read *A Secret Worth Sharing* and discussed safe secrets and unsafe secrets. They know that keeping a surprise birthday present a secret is safe but if something is upsetting then that is a secret that needs sharing.
